

No Longer Slaves // Bethel

VERSE 1

You unravel me, with a melody
You surround me with a song
Of deliverance, from my enemies
Till all my fears are gone

CHORUS

I'm no longer a slave to fear
I am a child of God

VERSE 2

From my Mothers womb
You have chosen me
Love has called my name
I've been born again, into your family
Your blood flows through my veins

INTERLUDE

BRIDGE

You split the sea, so I could walk right through it
All my fears were drowned in perfect love
You rescued me, so I could stand and sing
I am a child of God
