

Verse 1

Our worship will wake up the dawn our souls will shout out
Exalting Christ the worthy One
Let it ring from every mountain and fill the earth and sky
Echoing in every nation Jesus be lifted high

Chorus

Hallelujah
Hallelujah
Hallelujah
We give You our highest praise

Verse 2

We'll break the silence with our praise to give You glory
The rocks won't cry out in our place
The only One who's worthy You're seated on the throne
We'll raise our voices higher exalting You alone

Chorus

Hallelujah
Hallelujah
Hallelujah
We give You our highest praise

Bridge x4

Freedom is falling where praise is rising
Freedom is falling where praise is rising

Chorus x2

Hallelujah
Hallelujah
Hallelujah
We give You our highest praise

Bridge x2

Freedom is falling where praise is rising
Freedom is falling where praise is rising
