

Verse 1

I lay down my burdens let them go
And empty my hands to touch even the edge of your robe
Pressing through fear because I know
That only You can make me whole

Chorus

One touch from You can break through the darkness
One touch from You can heal the broken-hearted
One touch from You can move any mountain
One touch from You is all I need

Verse 2

Your power meets me in my faith
Your promise for me won't be shaken or taken away
Who are you mountain in my way
You will be moved in Jesus name
You will be moved in Jesus name

Chorus

One touch from You can break through the darkness
One touch from You can heal the broken-hearted
One touch from You can move any mountain
One touch from You is all I need

Bridge x3

I'm not leaving till I find my healing
I'm not leaving till I see my freedom
Everything I need is found in Jesus
I'm not leaving no I'm not leaving

Chorus x3

One touch from You can break through the darkness
One touch from You can heal the broken-hearted
One touch from You can move any mountain
One touch from You is all I need
